Announcement Number: 22-423
Position: Logistics Plans Craftsman
Brief Description of Duties: Serves as the program manager for the Integrated Deployment System (IDS); Deliberate and Crisis Action Planning and Execution Segments (DCAPES), Contingency Operations/Mobility Planning and Executive System (COMPES), Logistics Module-Base Level (LOGMOD-B), Cargo Movement Operations System (CMOS) and Integrated Computerized Deployment System (ICODES). Ensures that all systems interface within IDS. Serves as the subject matter expert for COMPES to assist the Wing Commander and Logistics Officer in selecting, deploying and monitoring contingency forces. Maintains LOGMOD and the Logistics Detail (LOGDET) data, assists in designing logistics packages to meet Operation Plans (OPLAN) tasking, and coordinates with tasked units to ensure compliance and accuracy of systems. Oversees the management and production of ICODES products. Provides continuous guidance and instruction to units on COMPES, Logistic Detail-Base Level (LOGDET-B) data and Manpower/Personnel Module-Base Level (MANPER-B) matters. Coordinates both LOGMOD-B and MANPER-B portions of COMPES for input and processing. Produces COMPES data to support wartime activities and Operations Other Than War (OOTW) required by units to mobilize and deploy equipment and personnel. Formulates and consolidates logistical annexes for IDS guidance based on regulations, manuals, instructions, and directives issued by higher headquarters. During peacetime and at actual and training deployments, provides staff input and participation in the Deployment Control Center (DCC) and may serve as an alternate IDO for deployments. Plans and develops deployment training for the wing and units in addition to conducting training. Ensures the unit meets all pre-execution and command and control requirements for deployments. Analyzes time phased force deployment requirements to develop plan annexes and schedules for inclusion in execution phase of the wing deployment guidance. As directed by, and in conjunction with the Logistics Officer, assists units by providing guidance and performing staff assistance visits to identify, correct, and assist with deployment-oriented problems. Reviews deployment assessment capabilities with unit commanders to ensure that required deployment training is being conducted. Plans and briefs the Logistics Officer regarding the movement of personnel and equipment during simulated and actual deployments and exercises.
