The District of Columbia Air National Guard

DC is an Equal Opportunity Affirmative Action Employer

This announcement must be posted on unit bulletin boards until the day following the closing date.

Position: Army Weather Support

Position Description:

- Performs and manages the collection, analysis, and forecast of atmospheric weather and space environmental conditions to enable decision superiority and application of land, air, space and cyberspace power across the full spectrum of military operations.
- Collecting and analyzes atmospheric data, performing meteorological watch, preparing forecast products, and issuing weather watches, warnings, and advisories. Also, forecasts local area and mesoscale weather features, determining weather effects on weapons systems, and preparing and delivering weather briefings and mission execution forecasts.
- Collects, analyzes and integrates atmospheric and space environmental information into military decision-making processes. Observe, record, and transmit surface, upper air and space environment observations. Operate atmospheric and space-sensing instruments and computer workstations to interrogate data from weather radars, meteorological satellites, and products provided by military, national, and international weather agencies.
- Uses a detailed understanding of the atmosphere and space environment to translate raw data into decision-quality environmental information. Issue advisories, watches and warnings to alert users of dangerous, inclement, or operationally significant terrestrial and space weather events.
- Understand war fighter tactics, techniques and procedures to maximize air, space, cyberspace combat power. Utilizes weather tactics, techniques, and procedures to integrate weather information into the decision-making process at all levels to mitigate and exploit weather impact on operations. Manage weather operations, ensure quality, and adapt resources to meet mission requirements.
- Performs other duties as assigned.

Minimum Qualification Requirements:

1. Compatible AFSC: only 1W0X1
2. Open to all members eligible for entry into DCANG.
3. Must meet physical fitness standards prescribed by AFMAN 36-2905.
4. Must possess a valid Secret Clearance.
