FY23 \$12,500 per fiscal year. (\$12,000 for TA, \$500 for authorized fees).	The current DoD cap for TA is \$250 per Semester Hour or equivalent and \$4,500 per fiscal year. Use of TA for fees and books is not currently authorized. Most college courses are 3 Semester Hours, so the maximum that TA might pay in this case is \$750 per course. Some institutions charge more than the DoD cap, some charge less.
